

Hi 5 Youth Foundation USA is looking to recruit high school students to volunteer in the bay area for 4+ years and beyond.

What can you do locally?

- Be part of Hi 5 events (2-3 times a year)
- Play basketball in local Hi 5 tournaments
- Get your friends and form a team to play against other high schools
- Assist in scoring and registering players at the tournament
- Start a Hi 5 club and organize events in your high school

What can you do when in Hi 5 India?

- Assist our coaches in basketball in any of the 30 centers of your choice
- Bring a team and travel together to play with our Hi 5 children and youth and compete in tournaments.
- Bond and spend time with our underprivileged children and hear their challenges – a lifetime opportunity
- Hear their stories and write essays in your school newspaper or use social media about your experience with Hi 5
- An experience of lifetime about compassion and giving back to community

What does a volunteer get doing these?

- Community hours for high school
- Recommendation letter for college apps if needed
- A great opportunity and experience traveling together with friends and exploring a non-profit which gives you a lot of understanding about life outside your comfort zone.
